

Angela Dean is our school Family Support Worker, her role is to support our children & parents

I have lived on Larchfield Estate for 28 years bringing up my four (now adult) children, they themselves all attended Larchfield School. I have worked here for 14 years, in a role that I really enjoy, where else can you come to work dressed as a ladybird?

I try to always listen and appreciate parents' and children's worries. This enables me to offer support, suggestions and advice for individuals and our families. I can also sign post to other services if more support is needed.

I also support children on a 1:1 basis or in small groups, listening and working with them in different ways e.g.

- **Anger management and control**
- **Key transitions, including moving between schools/classes**
 - **Development of pupil self-esteem and confidence**
 - **Friendship issues, including social networking**
- **Family issues: bereavement, new baby in the family, parent's separation / divorce.**
