

Larchfield Primary and Nursery School

Breakfast Club

Parent/Carer Agreement

Our Breakfast Club sessions are open Monday to Friday term time only and will NOT include INSET Days or any other school closures.

The Club runs from 7.45am until 8.40am.

Parents should bring their child into school via the school entrance. Please ensure your child is not dropped off any earlier than 7.45am as the school does not provide supervision until that time.

Parents are required to bring their child into the club each morning and register their arrival with a member of staff. Please DO NOT drop them at the door. This will allow us the opportunity to pass on any important messages.

CHARGES

Children are provided with a selection of cereals, toast and preserves at a cost of £3.00 per child per session. Payments should be paid on the day. Pre-payment can be organised with Mrs Lawson, you will be reminded when funds are close to being needed to be topped-up.

This is a non-profit making service, offered to support parents/carers and provide good quality before school provision. It is essential that all payments are received on time to ensure that we cover the costs of running the club and can maintain a good service.

BEHAVIOUR

The same high standard of behaviour and respect that is expected in school is also expected in our Breakfast Club. Although the children are able to choose which activities they participate in, they are expected to co-operate with the staff and other children.

Should an individual's behaviour be deemed unacceptable then parents will be contacted. This service is not statutory, but is offered by the school and we reserve the right to withdraw this service to individuals if any of the above are not adhered to.
