

### Home Learning – Year 1 – Out of Africa

	1 point	2 points	3 points	4 points	5 points
	Know	Understand	Apply	Analyse	Create
<b>Verbal</b> I enjoy reading, writing and speaking	Read a story from Rudyard Kipling <i>Just So Stories</i>	Create a comic strip of your <i>Just So Story</i> .	Should we keep animals in Zoos? Children can decide whether animals should be kept in zoos giving three reasons for their choice.	Which is your favourite movement from <i>Carnival of the Animals</i> ? Give 3 reasons why.	Write a story about an animal that features in <i>The Ugly Five</i> . Remember to plan it using the story mountain.
<b>Maths/Logic</b> I enjoy working numbers and science	Draw groups of animals to represent x2, x5 or x10 times tables.	Find out how big different animals are. Can you describe which animals are heavier or taller than others?	Draw a table and sort the following animals into herbivores, carnivores and omnivores: cat, dog, rabbit, hamster, cow, giraffe, tiger, human, horse, snake, shark.	The Big 5 animals are having a party! Can you divide up the party food between 5 animals so that they all have the same amount. Draw out the party plates.	Create a poster showing the different ways of representing a number between 20 and 30. (Dienes; words; counters; Numicons; fingers; numerals)
<b>Visual</b> I enjoy pictures, drawing and visualising	(Watch the The Mixed Up Chameleon <a href="https://www.youtube.com/watch?v=FrmZeXf7ScUI">https://www.youtube.com/watch?v=FrmZeXf7ScUI</a> ) Can you create your own mixed up animal?	Can you draw a picture of an animal that lives only in Africa?	Create an animal mask of a Savannah animal.	Create a painting of birds like Salvador Dali.	Create a poster showing the instruments of the orchestra.
<b>Kinaesthetic</b> I enjoy hands on activities	Can you create an animal of your choice using a paper plate craft?	Can you create a collage of one of the animals from <i>The Ugly Five</i> ? Make it as colourful as you would like.	Can you create stick puppets to retell the story of <i>The Ugly Five</i> .	Create a 3D model of a mammal, using any material you like.	Create a model of a zoo, using various materials. Think carefully about where you will place things and how much room each animal needs.
<b>ICT</b> I enjoy using computers to help me learn	With an adult research – what do zookeepers need to do?	With an adult listen to the <i>Carnival of the Animals</i> .	With an adult compare old fashioned zoos to zoos today. Can you make a table of similarities and differences?	Can you make a table on the computer sorting animals into herbivores, carnivores and omnivores?	Research one of the animals from <i>The Ugly Five</i> . Can you find out at least 5 facts about it? You can record it with photographs or drawings
<b>Social</b> I enjoy working with others	What do you do at home to help the environment? Have a chat to someone in your house about it.	Work with an adult or sibling to draw a map for your own zoo. What animals would go where and how would you set it out?	Create a poster of things you could do to help the environment.	Plan something that you do as a family to help the environment. Go and do it. Take photos as evidence.	Visit a Zoo or Wildlife Park. Take a photo of your favourite animal at the zoo.

Our topic next term is **Out Of Africa** The grid above is the home learning for the next term. The children will still receive weekly spellings. The aim is to get 30 points by end of term. You can go for more points and these will be turned into house points! Please cross off any task they have done on the grid and initial it to let me know it has been seen.
