

<b>Voyagers</b>	<b>1 point</b>	<b>2 points</b>	<b>3 points</b>	<b>4 points</b>	<b>5 points</b>	<b>6 points</b>
<b>Year 5</b>	<b>Know</b>	<b>Understand</b>	<b>Apply</b>	<b>Analyse</b>	<b>Create</b>	<b>Evaluate</b>
<b>Verbal</b> I enjoy reading, writing and speaking	Name 5 towns/cities in Britain with Viking Names- Can you find the translation?	Write a list of reasons why the Vikings came to Britain.	Write a short diary which is set on a Viking ship.	Choose 4 Anglo Saxon items you would put into a 1066AD time capsule. Explain why you selected these items	Create and present a speech about Beowulf.	Produce a report about a Viking burial.
<b>Maths/Logic</b> I enjoy working numbers and science	How fast does a space rocket go? How many times faster is this than 5 other things?	Create a timeline of invasions of Britain between 800 and 1200.	Construct a map showing the route of the Vikings from Scandinavia to Lindisfarne.	On average how long would a Viking live for and why was their life span shorter than ours?	Create 10 worded problems using Viking Runes.	Invent your own Viking shop. What items would you have and how much would you charge? Explain your choices.
<b>Visual</b> I enjoy pictures, drawing and visualising	Draw and label a picture of a Saxon round house that you would like to live in.	Design a new Viking coin.	Draw or paint a space picture of your choice.	Create a new Celtic knot design.	Create a game about space. Write the rules for your game	Design and label the inside of a space rocket.
<b>Kinaesthetic</b> I enjoy hands on activities	Create your Viking Shield!	Create your own Viking Weapon.	Make a model of a Longhouse.	Design and make a 3D Viking helmet. Explain why certain features are on it	Design, make and evaluate a piece of jewellery for a super settler of your choice.	Make your own Viking or Saxon instrument which works.
<b>ICT</b> I enjoy using computers to help me learn	Discover what instruments the Anglo Saxons used.	With a partner, create a weather forecast for the Viking invasion from Denmark to Britain.	Create your own Viking flag using a computer programme!	Research the food eaten during sea voyages.	Research and create a presentation about how simple tasks are done in space eg. Washing hair, brushing teeth, using the loo.	Research Viking archaeological finds, survey your family which do they think is most impressive. Record your findings
<b>Social</b> I enjoy working with others <b>Individual</b> I enjoy working by myself	Listen to a piece of Viking music. How did it make you feel?	Write a list of Viking Gods explaining who they were and what they were gods of.	Learn the Horrible Histories Viking song, perform to an audience and record your rating out of 10.	Form a drama about going into space to perform to the class.	Use the research from ICT to recreate a food eaten by the Vikings.	Create a Viking chant for rowing across the seas. Perform to your parents and evaluate how well the music inspired them.

**Children should aim to collect 35 points per ½ term, 70 in total, feel free to complete more. Have fun with your learning.**
