

Key Instant Recall Facts

Year R Autumn Term 1

This half term your child is working towards learning the following facts.

Please help them by practising regularly.

Say the number names in order to 10

Represent numbers 1 to 10 using fingers.

5 teddy bears are sitting on a shelf, 1 fell off, how many left?

4 are left.

Well done!
That's right.

Make it fun!

Practise little and often.

What's hidden? There are 5 beans on this plate, I hide some under a beaker - how many have I hidden?

Add one more! 5 apples have fallen off the tree. One more drops down, how many are there now?

Songs and rhymes e.g. 5 speckled frogs, 10 in a bed, 10 green bottles
