

Annex 1

Temporary Policy Addendum:

COVID-19 school closure arrangements for Safeguarding and Child Protection at Larchfield Primary and Nursery School

This Policy addendum is effective from 4th January 2021

Larchfield Primary and Nursery School: Larchfield Primary and Nursery School
Policy owner: Governors
Date: 11th Jan 2021
Date shared with staff: 13th January 2021

Context

To support public health efforts during the return to school in January, secondary schools will invoke a phased return to face-to-face provision at the start of term.

From 8th January parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

School opening is currently set as:

Department for Education

Return dates for primary and secondary schools and colleges in England

Year group	w/c 4 Jan	w/c 11 Jan	w/c 18 Jan
Exam years (years 11 and 13)	Prioritise remote education	Return to school	Continue at school
Primary (years 1-6)	Return to school with some local exceptions*	Continue at school with some local exceptions*	Continue at school with some local exceptions*
Secondary / college (years 7-10 and 12)	Prioritise remote education	Prioritise remote education	Full return to school with some local exceptions*
Primary / secondary vulnerable and critical worker	Return to school	Continue at school	Continue at school
Special school	Return to school encouraged	Continue at school	Continue at school
Alternative provision	Return to school	Continue at school	Continue at school

* In some local areas, under the contingency framework students will have remote education except for exam years and vulnerable and critical worker children. Special schools for primary years should continue to allow pupils to attend full time.

This addendum of the Larchfield Primary and Nursery School Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

Larchfield Primary and Nursery School is in Tier 4.

Key contacts

Remain as per the School Safeguarding Policy.

Vulnerable children

Vulnerable children and young people include those who:

- are assessed as being in need under section 17 of the Children Act 1989, including children and young people who have a child in need plan, a child protection plan or who are a looked-after child;
- have an education, health and care (EHC) plan;
- have been identified as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued full-time attendance, this might include:
 - children and young people on the edge of receiving support from children's social care services or in the process of being referred to children's services
 - adopted children or children on a special guardianship order
 - those at risk of becoming NEET ('not in employment, education or training')
 - those living in temporary accommodation
 - those who are young carers
 - those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)
 - others at the provider and local authority's discretion including pupils and students who need to attend to receive support or manage risks to their mental health.

Eligibility for free school meals in and of itself is not a determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Larchfield Primary and Nursery School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: J. Kearney

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at increased risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social

worker and Larchfield Primary and Nursery School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Larchfield Primary and Nursery School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Larchfield Primary and Nursery School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Critical workers

Parents whose work is critical to the coronavirus (COVID-19) and EU transition response include those who work in health and social care and in other key sectors outlined in the following sections.

Attendance monitoring

Pupils who are not expected to be in school during the weeks commencing 4 and 11 January, should be recorded as 'code X'.

Children for whom on-site provision is being provided should be recorded in line with the normal school attendance requirements.

Shielding advice is currently in place in tier 4 areas, and so all children still deemed clinically extremely vulnerable are advised not to attend school.

Larchfield Primary and Nursery School and social workers will agree with parents/carers whether children in need should be attending school – Larchfield Primary and Nursery School will then follow up on any pupil that they were expecting to attend, who does not.

We will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

Phone calls will be made to the parents/carers in these circumstances.

To support the above, we will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, we will notify their social worker.

Designated Safeguarding Lead

Larchfield Primary and Nursery School has a Designated Safeguarding Lead (DSL) and 2 Deputy DSLs.

The Designated Safeguarding Lead is: J. Kearney

The Deputy Designated Safeguarding Lead are: A. Baker/A. Cole

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

The school's staff and volunteers will have access to a trained DSL (or deputy).

The DSL/DDSLs will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via the school's concerns forms, which can be done remotely. This must be logged by 4pm on the day the concern is raised, if after this the DSL must be contacted directly if deemed a significant immediate risk to the child.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern to the headteacher.

If there is a requirement to make a notification to the headteacher whilst away from school, this should be done verbally over the phone and followed up with an email to the head teacher to confirm the discussion.

Concerns around the Headteacher should be directed to the Chair of Governors.

Safeguarding Training and induction

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2020). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter the school they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will consider the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that: -

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the safe guarding/child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children.

When recruiting new staff, we will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that: -

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children

- there is no ongoing disciplinary investigation relating to that individual

Where we are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

We will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

The school will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

Whilst acknowledging the challenge of the pandemic, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity.

As such, we will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Volunteers

We do not currently intend to use volunteers in school, however should we need to then under no circumstances will a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

Existing volunteers in regulated activity do not have to be re-checked if they have already had a DBS check (which includes barred list information).

Supervision must be:

- by a person who is in regulated activity.
- regular and day to day; and
- reasonable in all the circumstances to ensure the protection of children.

In appointing volunteers, the school will follow safer recruitment processes.

Online safety in school

We will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school

It is important that all staff who interact with children via catch up phone calls, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

We do not currently intend to be teaching live lessons. Every child's learning is updated daily with recordings and messages from their teachers.

We will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Supporting children not in school

Larchfield Primary and Nursery School is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Those children deemed vulnerable or with an EHCP will have at least weekly contact with either the Family Support Worker and/or The Inclusion Lead in addition to their class teacher.

The communication plans can include remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Larchfield Primary and Nursery School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

We recognise that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers.

Teachers are very aware of this in setting expectations of pupils' work where they are at home.

Supporting children in school

Larchfield Primary and Nursery School committed to ensuring the safety and wellbeing of all its students.

Larchfield Primary and Nursery School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Larchfield Primary and Nursery School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Larchfield Primary and Nursery School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

Where we have concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – we will discuss them immediately with the Governors.

Peer on Peer Abuse

Larchfield Primary and Nursery School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on a concerns form and appropriate referrals made.
