## 'Be the family you want'

Dear Parents and Carer givers,

**Our theme for this week was 'What make us a family?'**  
**Diversity music – Ska**

It may seem, as we approach July, that school slows down. There are many things still going on at the moment and if we could ask for your help in staying on board with us, we would appreciate it.

We think everyone is getting tired as the end of the year gets closer but also the recent heat, can make people less tolerant. We have a number of staff not in school at the moment due to many different reasons so I ask you be patient with us.

Can I please ask that you ensure you have paid for the whole school trip for your child? Without everyone contributing it makes it hard to keep it so cheap. Our adventure this year is to The Look Out in Bracknell.

It looks like Reception are starting up their own ice cream business. Lots of real-life learning!

You will be aware that the current PTFA are sadly standing down. This is a real shame, but they have done a great job over the years, fundraising, applying for grants to support trips and putting on super opportunities for our children and we thank them for this. If you feel you could step into these shoes then please let the PTFA know or call in at the school office and let us know and we can pass on your interest, it would be a shame to let a fantastic school support go!

Some interesting art work from Year 1, they have been studying Thandiwe Muriu.

### Certificate winners this week

Well done to all our children who earned an achievement certificate this week in celebration assembly.

We are looking forward to our Nursery Games Day on Monday.

Please note that RBWM have issued an amber heat health alert for this weekend (Friday 27 June, until 6pm

next Tuesday 1 July), along with a link for your information. [Beat the heat: staying safe in hot weather - GOV.UK](#)

So with anticipation that Monday is going to be hot please send your child to school in PE kit.

Please stay cool and safe this weekend.
