'Be the family you want'

Dear Parents and Care givers,

Music genre for the Week – Johan Sebastian Bach

Style: Classical/Baroque

Period: 1700s

Well done Year 2 children and team. They presented a super assembly to their grown-ups, showing lots of pride and confidence. Good job!

Year 1 carried on with their African studies, designing African Maasai Headpieces this week.

Year 4 design skills focused on dragons!

It is a shame we had to postpone School's Games Day today for the lower school. Please read the email sent yesterday for more information. A hard decision but best to think about safety first, fingers crossed the rain does stay away so that Year 6 can enjoy their final School Games Day event.

Thank you to everyone who donated old clothes for our School Bags collection. We raised a fab £127, which once again will go towards trips to keep the cost down.

We have been very proud of our Year 1 children, who sat their Phonics screening and Year 4 who sat the Multiplication Check. They all took it very seriously and displayed great school values. As you may know these tests are Government set tests and monitored very closely, so closely that we had a surprise monitoring visit from the local authority for our Phonics. I'm pleased to say we as a school passed with flying colours for our procedures and administering of the tests. They said we were spot on and a model school!

You will now know that from September we have an after-school provider until 6.00pm. They will be here on 10th July during Meet the Teacher evening from 5.30pm for anyone who has any questions.

Our Year 6 team are off site for part of the week next week as they go on their residential adventure.

A note to Year 6 grown-ups, the staff will try hard to add photos to the class pages each evening. Please make sure your child doesn't try to sneak any electronic devices in their bags. You will need to physically bring your child to school and sign permission forms. These must be done before we take your child away, also remember any named medication (only prescribed by the doctor) needs to be

handed in. Please remember also that on return on Wednesday they must be picked up at the usual end of day time. They will **not** be allowed to walk home on their own.

Can I thank Mrs Edwards, Mrs Armsdon and Mr O'Brien in advance for giving up 3 days and 2 nights of their family time with no extra pay, to ensure the children have this opportunity?

On the note of adventures, we will be having our annual whole school adventure on Tuesday 21st July. Due to grant funding acquired by the PTFA, thank you to them, we can keep the cost to only £5!!!! We think we will also be able to squeeze in a treat for them too. We do usually get every family to make this contribution, but if you are able to pay forward for any child whose family can't that would be kind. Hopefully as it is £5 everyone will be able to pay.

Please ensure you have paid your **£5 per child before Friday 10th July.**

Next week we look forward to our Father's Day Scavenger Hunt, the children have already sent out their invites. It will start at 2.15 so please be on time if you can.

Next Friday is also Non-

uniform Day in exchange for as many donations for the School Fair you can manage. I know it's World Cup time but still no football shirts please, you will be contacted to bring a change of clothes should this happen.

We are working with minimal support in organising this year's fair with Mrs Allen and Mrs Chohan being the only committee members stepping up. Please let them know if you can help in the run up with ticketing prizes, setting up, running a stall or packing away. pta@larchfieldschool.co.uk . **We have to remember that if we don't have more than staff volunteering then the Fair will have a reduced the number of stalls and activities on the day.**

Have a lovely weekend

Headteacher
