'Be the family you want'

Dear Parents and Care givers,

Music genre for the Week

Artist: Raffi

Style: Children's/Folk

Period: 1970s-Present

As we approach the last couple of weeks, I am mostly sharing through photos as there is so much going on.

Firstly thank you to all those who gave their time and energy to helping out at the fair on Saturday. A special thank you Mrs Chohan and Miss Allen for organising and running the day. We tried a few new things this year, thank you to Mr Burbage, who made the Plinko and Bucket games and Mrs Ahmed who was kept busy with Henna art work.

A grand total of around £1800 was raised, some of this we hope will be supporting educational visits which mean we keep them cheaper than any other school we know of. PLEASE rememebr to pay the £5 for the end of year trip. 40 have not made any contribution yet! We hope you and your family enjoyed the day.

I'm pleased to say that our attendance on Monday morning following England's very early morning game was 94%, so thank you for still sending in your children. I think they enjoyed watching the game in school! Good luck for tomorrow night!!!

Well done, Year 5 and 6 on your production of 'Gigglebox'. Lots of memories to take away to secondary school for Year 6. Photos on the gallery section of the website and their class page. Thank you to the whole Y5/6 team who did an amazing job too!

Please note that we let the children know today who their new teachers and team will be for next year. There have been transition booklets prepared for some children and so if you could support them with this big move that would be great.

Cox Green Brownies wanted me to share their flyer for Brownies, the Scouting movement in general is great fun and gives the children a super opportunity to make friends, build independent skills and have a great time doing it!

KS2 Bikeability Training – 28th-29th September 2026

We are excited to offer KS2 pupils the opportunity to take part in Bikeability training on Monday 28th and Tuesday 29th September 2026.

Bikeability is a fantastic way for children to develop their confidence and independence while learning essential skills to help them cycle safely. The training focuses on road awareness, safe cycling practices, and building the skills children need to enjoy riding their bikes responsibly.

As well as being a valuable safety experience, Bikeability is a fun and engaging opportunity for children to improve their cycling skills, challenge themselves, and enjoy being active outdoors.

The course costs £6.50. Spaces are limited and will be allocated on a first-come, first-served basis, so please secure your child's place by Friday 17th July.

If you would like your child to take part, click on this link
